ISM P/V is pleased to invite you to attend this exciting education tour

Port of Vancouver USA is an economic engine for the entire Southwest Washington region. The port provides quality jobs, international trade connections, a strong industrial land base and economic stability by producing revenue to our state and local services.

Through the Columbia River and efficient national rail and road systems, the port connects our community to the global marketplace—a key factor in bringing community prosperity to Clark County.

You can learn more about the Port of Vancouver at <http://www.portvanusa.com/marine/have-a-minute-learn-more-about-your-port-in-90-seconds/>
